In everything we do

Autex is an ISO certified organisation encompassing Quality (ISO 9001), Environmental (ISO 14001), and Health and Safety (ISO 45001). Brand names and logos are registered or unregistered trademarks owned or used under license by Autex Industries Limited. Swatches featured are representative of the final product colours as close as the printing process allows. Please refer to actual samples prior to ordering. This paper is FSC Recycled certified and manufactured with 100% post-consumer recycled fibre in an elemental chlorine free environment under the ISO 14001 environmental management system. Using recycled material makes the most of precious forest resources and reduces the pressure to harvest more trees.
